## State Parks Get 10 and 15 Day Camping Limits

"Because of the increasing demand for limited facilities, 10 and 15 day camping limit policies will have to be continued this year for certain especially crowded State Parks," Newton B. Drury, Chief of the Division of Beaches and Parks stated recently.

"The 10-day limit," he continued, "is established only after careful study, and will be eliminated in a few parks which last summer did not show full campsites except over weekends."

The 15-day summer camping limit is placed on parks which receive a high-visitor attendance, but not as high in relation to available facilities as those with the ten day limit.

All state parks except those noted below will have the regular 30-day limit for the year or season.

The State Park Commission has approved a 10-day camping limit for the following especially popular state parks to be in effect from June 1 to September 30:

Tahoe State Park, Placer County.  
D. Bliss State Park, El Dorado County.  
Armstrong Redwoods State Park, Sonoma County.  
Seacliff and New Brighton Beaches State Parks, Santa Cruz County.  
Carpenteria Beach State Park, Santa Barbara County.  
Doheny and San Clemente Beaches State Parks, Orange County.

## Torrance Navy Chaplain Gets Commander Rank

Navy Chaplain Cdr. Oswald B. Sawyer, senior chaplain for Fleet Activities, whose wife, Mrs. O. B. Sawyer, and their three sons make their home at 1333 W. 223rd St., is growing quite accustomed to changes.

On May 12, fifteen days after arriving in Japan for his new duty, he was notified of his appointment to the rank of commander.

The Far East is not new to Chaplain Sawyer. He spent approximately seven months traveling between the waters of Korea and Japan as chaplain aboard the attack carrier USS Badoeng Strait. He also was attached to American Samoa; the Naval Ordnance Test Station, Inyokern, Calif., and was senior chaplain at the United States Naval Shipyard, Bremerton, Wash., before reporting to Japan.
